

# Virginia Beach Angler's Club

## Our Mission

The Purpose of the VBAC is to encourage sport fishing, both freshwater and saltwater, while supporting prudent governmental and other policies that promote the preservation, conservation and ecology of all marine life.

## Our Objectives

Monitor legislative and regulatory activities relating to management of local and regional fisheries and participating actively, where appropriate, to assure the adoption of sound management policy and practices that best serve the interests of VBAC members.

Promote interest and participation in recreational angling by conducting programs and activities that encourage sport fishing.

Educate members and others in the techniques of sport fishing to enhance their enjoyment of the sport.

Conduct social activities that create a wholesome climate for deriving the maximum pleasure from sport fishing by members, their families and guests.

We invite the beginner or the expert fisherman to join the Virginia Beach Angler's Club. Please allow us to share our fishing experiences with you. Please share yours with us. Originally founded in 1959, the club is dedicated to increasing knowledge and skill of fresh and saltwater fishing.
