## **What's Biting:**

Inshore: Speckled Trout and Puppy Drum can be found anywhere from the Elizabeth River, Lynnhaven Inlet, Rudee Inlet, and all the way to Sandbridge. With the way the wind has been blowing the spots might be the best places to go.

Offshore: When and if the blow stops, anglers could get their last shot at bluewater fish and a chance for deep drop fish like sea bass and tilefish.

**WE ARE ALL WAITING FOR ROCKFISH!!!!!!!**

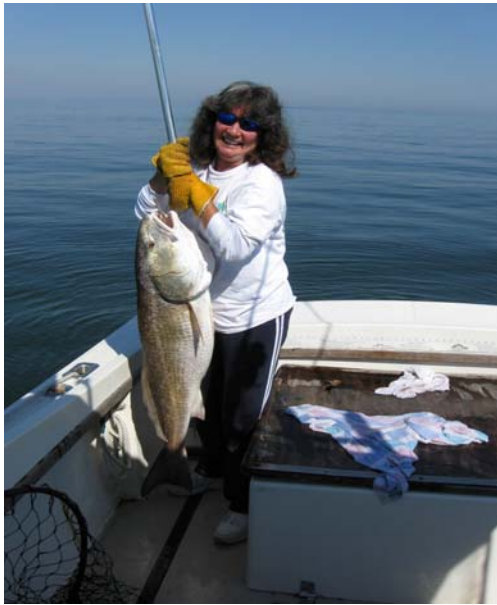

This is the time of the year that we are looking for nominations for officers and board members. If you know someone you would like to nominate, or you would like to nominate yourself, please see Ron Jeffords.

# VBAC ANNUAL OYSTER ROAST

Conditions were great for the Oyster Roast: perfect weather, fish biting, great food, and good friends. A big thank you goes out to Jerry Mariano for his hard work cooking lots of delicious seafood and Steve Wray for hosting us in his backyard. The dishes brought by the members were plentiful and tasty. The kids had fun fishing. The prizes for the raffle were appreciated. And, the cakes were creative and scrumptious. Thank you to all the members for their hard work making this year's Oyster Roast a success! Butch Eason
