The 2024 Fish Fry

Our annual fish fry on Saturday was a huge success. After a drizzly start to the day, mother nature cooperated and the weather turned out to be very favorable. We had approximately 50 members in attendance and Kelly provided, and cooked, an abundance of delicious fish. We also cooked hush puppies and had a variety of other foods and desserts to compliment the meal.

A bonus to the day was a tour of the Brock Center given by Chris Moore, Executive Director of the Chesapeake Bay Foundation, for whoever wanted to tag along. Chris showed us the entire building, gave us the history of the project, and pointed out the many parts of the building that were donated by local organizations to make it possible.

Thank you to all who attended, brought food, and assisted with set up, cooking, and cleaning up.

Also, thank you to Bob Burstein for keeping us hydrated.

ALUMNI ASSOCIATION**

6 Weigh masters are needed to man 2 separate sites for this event. Our club president is working on this event to benefit the ODU alumni association. It is a two day, Friday and Saturday event. Those that volunteer will be needed from 10AM until 4PM and will have no heavy lifting. Anglers will place their fish on the scale and the weigh master will record it.

Please contact Mark Lozier at 757-754-0062.

Salt Water News

Fishing for Reds in Pretty Lake 4/19/24:

Went fishing with Ned Smith in Pretty Lake looking primarily for puppy drum. We were only anchored about 5 minutes before I had one on. Then Ned and I proceeded to catch one after the other for an hour. We ended up catching 11 puppies: One 27 inch, 2 25 inch, 2 24 inch, 1 21inch, and 5 under 18 inch. Not sure how many we hooked and they got off. Thy loved the 27 MR MirrOlure, the 18MR and Paul Browns. Water temp was 67 degrees, cloudy all mourning and the water was very clear. One of my 25 inch reds weighed 5lbs, 4oz.

Back again in Pretty Lake 4/23/24:

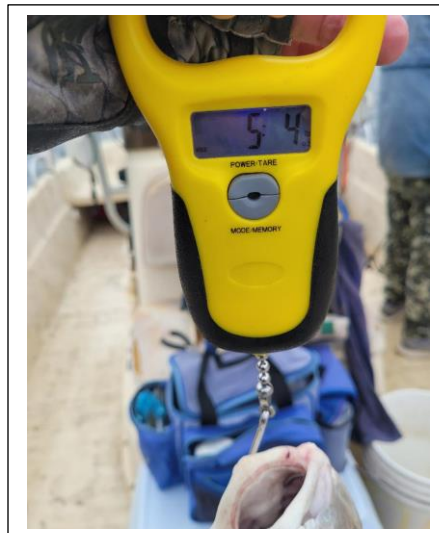

This time Louis Glaser joined Ned and me looking for the reds again. While the action wasn't as active as last time we still ended up catching 8 reds, the biggest 24 inch and one trout, 19 inch. Again 27 MR and 18 MR MirrOlure prevailed.

Blessings,

Dr. James W. "Ike" Eisenhower
